Tonengeneral Group Presents Program at Summer 2016 Manabi no Fes

The Tonengeneral Group (“the Group” herein) ran a booth featuring a program for children called “Let’s Find Out About Oil!” at the Summer 2016 Manabi no Fes, held at the Science Museum on August 3. A total of 38 children participated in the Group’s program, which was run five times throughout the day.

This was the third time for the Group to run a booth at this event. The Group’s program included an explanation of the basics of oil, followed by a demonstration, using models of molecules, of the chemical reactions of combustion. The children enjoyed rearranging the molecules using three-dimensional puzzles.

Manabi no Fes, an event for children sponsored by The Mainichi Newspapers, Mainichi Media Café, and Mainichi Shogakusei Shimbun, has been implemented every year during the spring and summer holidays since 2014. It is an opportunity for children to expand their knowledge and experience through workshops presented by businesses, NPOs and other organizations.

About the Tonengeneral Group

The Tonengeneral Group has a nationwide network of service stations operated under the Esso, Mobil and General brands, and is engaged in business operations, centered on Group company Tonengeneral Sekiyu K.K., which include crude oil procurement, petroleum and petrochemical product manufacturing, and electric power supply. The Tonengeneral Group strives to contribute to the development of a vibrant society by maintaining a stable supply of energy and offering high-quality products and services while working to reduce effects on the environment.
