**PPC Acquires Equity Interest in a Copper/Gold Exploration Project  
in Chile and Argentina**

Pan Pacific Copper Co., Ltd. (“PPC”; Head office: Otemachi 2-chome, Chiyoda-ku, Tokyo; President: Yoshimasa Adachi), an integrated copper producer jointly established by JX Nippon Mining & Metals Corporation (Head office: Otemachi 2-chome, Chiyoda-ku, Tokyo; President: Yoshimasa Adachi) and Mitsui Mining & Smelting Co., Ltd. (Head office: Osaki 1-chome, Shinagawa-ku, Tokyo; President: Sadao Senda), has acquired from Japan Oil, Gas and Metals National Corporation (JOGMEC; President: Hirobumi Kawano) an equity interest in a copper/gold exploration project in Frontera area, which stretches over the border between Chile and Argentina.

The interest PPC acquired is JOGMEC’s 40% interest in a joint venture with NGEx Resources Inc. (Head office: Vancouver, Canada) and its subsidiaries for exploration of the area, in which JOGMEC participated in 2004.

Frontera area is located in the Chile-Argentina border region, which is known for its abundant copper resources, and is adjacent to PPC’s Caserones copper and molybdenum deposit.

PPC will participate in the continued exploration campaign to define the mineral reserves in the area, with a view towards implementing studies for its development.

**Notes**

1. Outline of Frontera Area
