TonenGeneral Group Participates in 27th YMCA Charity Run

The TonenGeneral Group (“the Group” herein) participated as a sponsor in the 27th Tokyo YMCA International Charity Run held at Kiba Park in Koto-ku, Tokyo, on September 23.

The Tokyo YMCA International Charity Run is a YMCA program that supports the societal integration of children with disabilities. In accordance with this objective, the Group has provided sponsorship for this event for over 10 years since the formation of the ExxonMobil Japan Group in 1999.

In the Charity Run, teams of six runners each, including at least one female runner, compete in a relay race on a 1.3 km course in Kiba Park. Rankings are determined by the total running times of each team. Seventy-five teams representing companies and organizations from various sectors competed in this year’s event. The Group entered 19 teams, and the addition of family members and colleagues who came to cheer the runners on brought the total number of Group participants to about 150.

As a good corporate citizen, the TonenGeneral Group believes that contributing to society is an important corporate responsibility. In accordance with this principle, the TonenGeneral Group provides sponsorship for the YMCA International Charity Run as one of its social contribution activities.
