TonenGeneral Group Holds Blood Drive at its Shinagawa Office

The TonenGeneral Group held a blood drive at its Shinagawa office on December 12 in conjunction with the Japanese Red Cross Tokyo Metropolitan Blood Center.

The TonenGeneral Group has held blood drives as a social contribution activity for over 25 years. Forty-four donors participated in this year's effort.

The TonenGeneral Group believes that companies are integral members of society. In keeping with this philosophy, we strive to be a good corporate citizen in all of the areas where we operate. Cooperation in blood donation efforts is one of the Group's many social contribution activities.

About the TonenGeneral Group

The TonenGeneral Group comprises TonenGeneral Sekiyu K.K. and its related companies and subsidiaries including EMG Marketing Godo Kaisha and Tonen Chemical Corporation. Elements of the Group began operations in Japan in 1893. With an emphasis on safety and the environment, the Group's operations are involved in all aspects of the supply chain, from crude export, refining and production to distribution and sales. We will continue to provide a stable supply of energy as we strive to be an energy company that moves Japan into the future. TonenGeneral Sekiyu is listed on the first section of the Tokyo Stock Exchange. For more information, see our website at www.tonengeneral.co.jp/english/.
