TonenGeneral Group Holds Blood Drive at Shinagawa Office

The TonenGeneral Group (“the Group” herein) held a blood drive at its Shinagawa office on December 5, 2014, in conjunction with the Japanese Red Cross Tokyo Metropolitan Blood Center.

The Group has cooperated in blood donation efforts for over 40 years, and this year increased the number of drives to two per year. As with the first drive this year, the number of applicants increased over the previous drive, with 58 employees donating blood in the December 5 effort.

The TonenGeneral Group believes that a company is one of the citizens that make up society, and we strive to be a good corporate citizen in all of the communities where we operate. Cooperation in blood donation efforts is one of our many social contribution activities.
