TonenGeneral Sekiyu Sakai Refinery Holds 42nd Tennis School

TonenGeneral Sekiyu K.K. (head office: Minato-ku, Tokyo; president: Jun Mutoh) hosted a tennis school for local children at its Sakai refinery (location: Sakai City, Osaka; manager: Kazuto Uchino) on October 18.

The company hosts a tennis school at its Sakai refinery each year for readers of Phoenix, a community newsletter issued by the refinery. Thirty-four preschool and elementary school students participated in the program this year, the forty-second time the tennis school has been held since its inception in 1974. On the refinery tennis courts, under the instruction of members of the refinery tennis club, which includes members of the Japan Sports Association, the children experienced the fun of tennis while learning the basics of the game as well as proper greetings and other court etiquette.

The TonenGeneral Group believes that a company is one of the citizens that make up society, and we strive to be a good corporate citizen in all of the communities where we operate. In accordance with this principle, we host a tennis school at our Sakai refinery as one of our social contribution activities.
